These interactive sessions provided students with valuable exposure to university-level learning and helped them gain a clearer understanding of various academic disciplines.

The event concluded with visits to university kiosks in the auditorium, where students interacted with representatives, explored courses, and learned about higher education opportunities.

The masterclasses featured Prof. Gitesh Chavan from Flame University (Marketing & Consumer Psychology), Ms Jung Jamir from Ashoka University (Journalism, Data Science & Biotechnology), Prof. Uma Sreedhar from Alliance University (Human Resources), Prof. Kakoli Talukdar from World University of Design (Design), Mr Harshan Patel from Masters' Union (Business & Entrepreneurship), and Dr. Richa Nigam from Thapar Institute of Engineering and Technology (Cognitive Science, Psychology & Research Science).
